THE OPPORTUNITY TO ACCOMPLISH

FOREWORD

The senior class presents the 1969 Echoes yearbook. We hope that it meets the approval of the public, and we hope to share some of our fond memories of Whitingham High School with its readers.

The staff would sincerely like to thank Mr. Brown for all his long hard hours spent working on the yearbook to help us meet our deadlines. We feel all the effort put into this book was well worth the results.

As editor I would like to personally thank the staff for all their work and devotion in making this yearbook a success as all other past ones have been.

PRINCIPAL'S MESSAGE

I would like to extend to the Class of 1969 my very best wishes for next year and the coming years.

This class has special significance to me as it is the first class to graduate since I have become principal of Whitingham School.

As Principal and Student Council Advisor, I have had an opportunity to work very closely with the members of the Class of 1969. My association has been most rewarding and enjoyable.

Next year offers the Class of 1969 a real challenge. I expect that this challenge will be met and that the members of the class will find success.

I trust that the class will have fond memories of their years spent at Whitingham.

SOCCER 1968

Donald Finck, Mike Carrier, Allen Twitchell

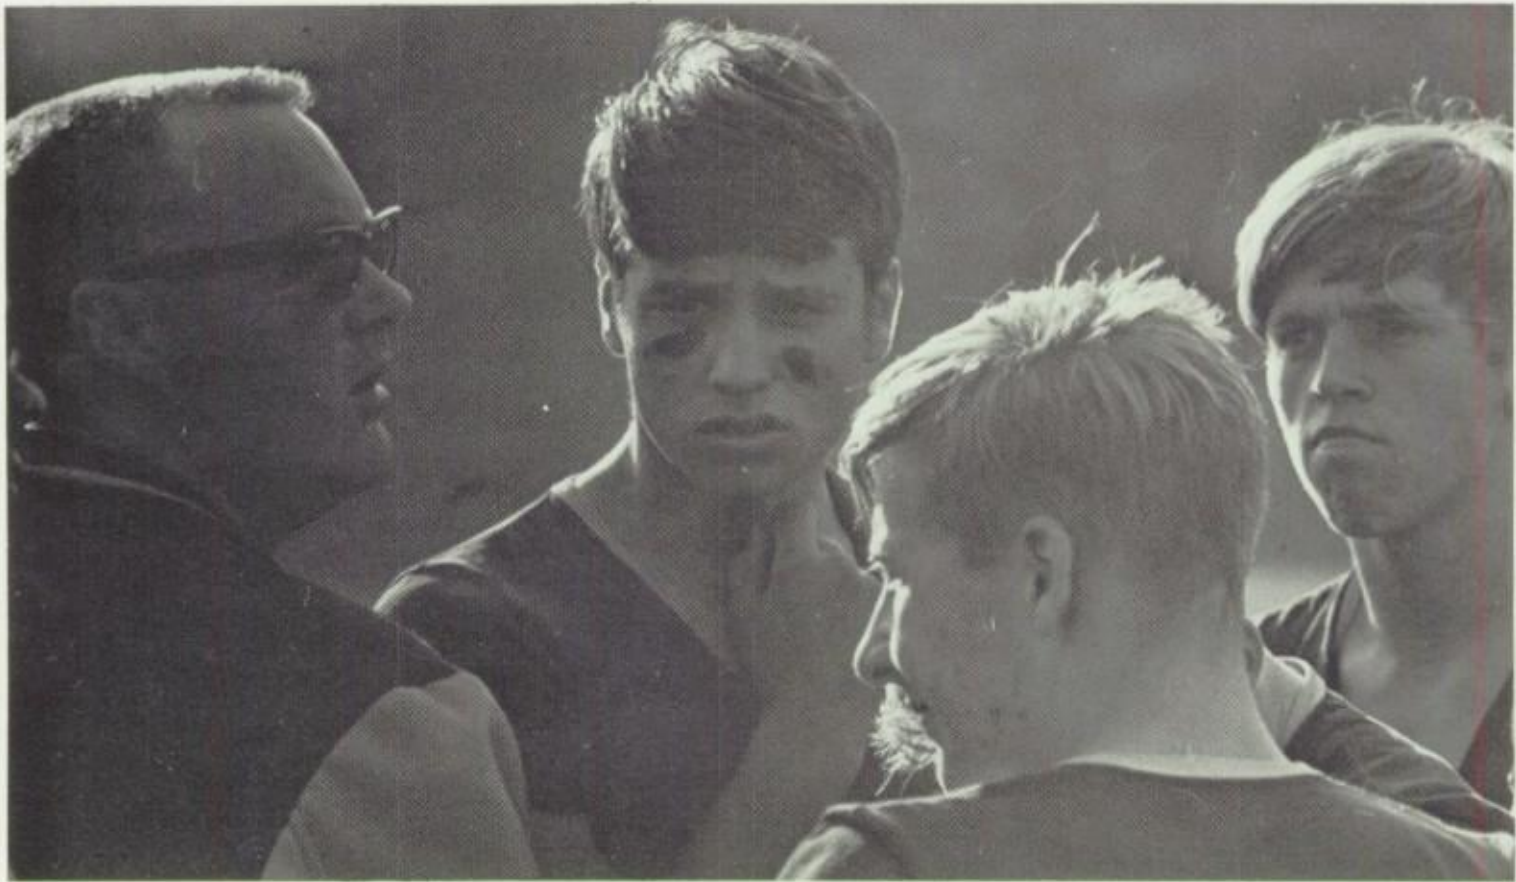

The 1968 Soccer Season was a successful season as far as wins and losses were concerned, with an overall record of 4-5-3. The biggest problem this year was to fill the gaps left by injuries to key men. The seniors represented their class with great drive and desire. They will be missed next year, but, things do look promising for the future.

"Whoa!!"

"Where's the tractor?"

"You guys gonna play ball or not!?!"

FIELD HOCKEY '68

The 1968 Field hockey team, led by captains Is Carner and Nancy Coombs, combined skill, spirit and teamwork to produce the best hockey record in the history of WHS: 2 wins, 6 losses. In building this record, the girls set several records, including breaking a losing streak which had stood since 1965! The Trojanettes scored 10 goals this season; the previous high had been 3. The four goals scored against B&B broke the old record for most goals in one game, 2. Nancy Coombs spearheaded the offense and set two records: most goals in one game (4) and most goals in one season (7).

Coach Corcoran was very pleased with the outstanding efforts of the team and the fact that every player, from the "green" freshmen to the "seasoned" seniors, made valuable contributions to the successful season. "Next year we will miss the "Big Six'," said Coach, "but the experience gained by the underclassmen this year, coupled with the up-and-coming talent from the eighth grade, should provide some worthy competition for the 1969 Molly Stark League."

BOYS' BASKETBALL

The 1968-69 Boys Basketball Season was not as disasterous as it might seem in the record book. The team was plagued with injuries and the lack of height which is so vital to the game of Basketball.

Although the record was not considered a winning record it was successful in that the team never gave up faith or gave up the desire to win which is, at times, more important than winning itself.

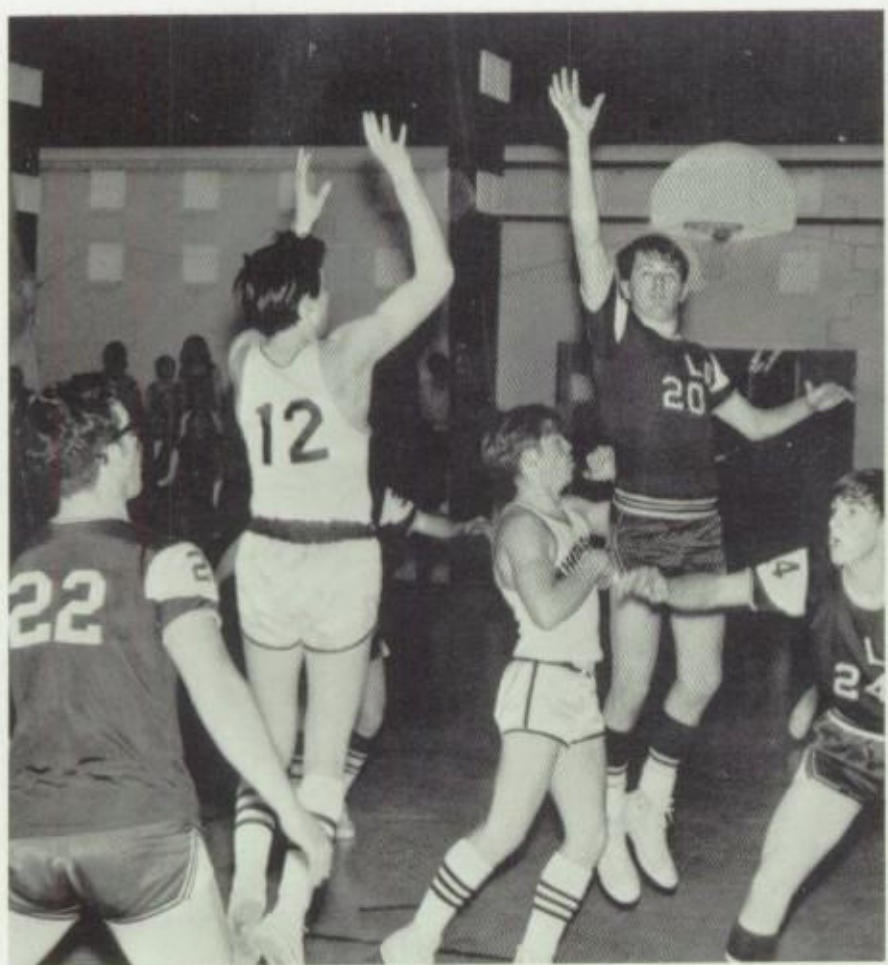

This year's seniors will be sorely missed in next year's season, and Coach Walker would like to express his thanks and gratitude to those who will graduate this year.

GIRLS' BASKETBALL

Despite a December car accident which disabled two veterans for the rest of the season, the '68-'69 Trojanettes produced the best record in the history of WHS girls' basketball, winning 82 per cent of their games. Outscoring their opponents in total points, 409-254, the offense was sparked by senior captain Nancy Coombs who broke all school records and set the following marks: career total points, 567; most pts. in one season, 206; and most pts. in one game, 34. She also was top scorer in the Molly Stark League with 153 pts. Defensively, the girls out-rebounded their opponents, 602-394, led by senior captain Jean Jillson, 129, and freshman Wendy Lowe, 120.

Coach Corcoran's post-season comments indicated, "We will sorely miss the senior vets next year. They inspired the team continually and helped to make this a season to remember. We are very proud of them and the rest of the Trojanettes."

A MESSAGE
TO THE CLASS
OF 1969

In the time of your life, live - so that in that good time there shall be no ugliness or death for yourself or any other life your life touches. Seek goodness everywhere, and when it is found, bring it out of its hiding place and let it be free and unashamed. Place in matter and flesh the least of the values, for these are the things that hold death and must pass away. Discover in all things that which shines and is beyond corruption. Encourage virtue in whatever heart it may have been driven into secrecy and sorrow by the shame and terror of the world. Ignore the obvious, for it is unworthy of the clear eye and the kindly heart. Be the inferior of no man, nor of any man be the superior. Remember that every man is a variation of yourself. No man's guilt is not yours, nor is any man's innocence a thing apart. Despise evil and ungodliness, but not men of ungodliness or evil. These, understand. Have no shame in being kindly and gentle. In the time of your life live - so that in that wondrous time you shall not add to the misery and sorrow of the world, but shall smile to the infinite delight and mystery of it.
